 **URBANFOOD**

## ABOUT US

We are family owned company established in 1997.

Our factory is in a small town Dotnuva. It is located on the bank of Dotnuvėlė river, in the geographical center of Lithuania.

Our Mission is to produce the top quality and of the highest nutritional value natural superfood that enriches peoples' daily diet with vitamins, microelements, flavors, and colors.

### Our Principles & Values:

- The top quality, the highest nutritional value natural products.
- Strict traceability of product origin, cooperation with Lithuanian farmers.
- Natural colors and playfulness in the daily diet.

### Product Category:

Natural, Pure Superfood, Functional food supplements, Nutraceuticals, Seasonings.

### Private Label:

Our long time specialization in producing of food powder can offer the highest quality and the competitive price. Our sustainable products and technologies are heading to carbon Net Zero targets.

URBANFOOD – functional, organic RAW products, such as a variety of berries, vegetables, herbs, seeds powder, and their mixes. It is a blend of European “superfood” and “fast-food”.

These products are innovative and have the highest quality and enhanced functionality, developed in collaboration with scientists.

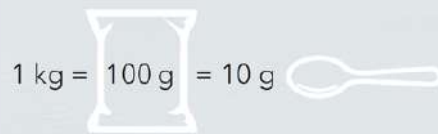

The company is certified to ISO 22000 and applies ISO 9001:2015, ISO 14001:2015, and SA8000 standard requirements. Urban Food powders are organic and have a Keyhole label.

Urbanfood is a member of the health technology cluster iVita and Vilnius and Kaunas Chamber of Commerce, Industry and Crafts.

# SUPERFOOD
